Dear Mr. Power:

1414 West 190th Street
Torrance, California

The Fire Department has reviewed the Tank Removal Report dated December 1997, as submitted by Aman Environmental Construction, Incorporated.

Based on the information provided to date, this Department has determined that no further action is required at this time.

Please note this letter does not exempt you of any liability under the California Health and Safety Code or Water Code for past, present, or future operations at this site. Nor does it exempt you of the responsibility to correct additional or previously unidentified conditions at the site which cause, or thereafter to cause, pollution or nuisance, or otherwise pose a threat to water quality or public health.

If you require additional information from the Los Angeles City Fire Department, contact Inspector Ernest T. Spearman, Environmental Unit, at (213) 485-7543.

Very truly yours,

WILLIAM R. BAMATTRE
Chief Engineer and General Manager
